## Annual Report on the Administration of the *Access to Information Act* April 1, 2019 to March 31, 2020

### 1. Introduction

The Canadian Museum of Immigration at Pier 21 (the Museum) is pleased to provide its annual report on the administration of the *Access to Information Act* (the Act) for the fiscal year 2018-19 as required under section 94 of the Act. In accordance with the Act, this report is tabled in Parliament.

The *Access to Information Act* is based on the following principles:

- Government information should be made available to Canadians and permanent residents of Canada;
- Exceptions to the right of access should be limited and specific, and;
- Decisions on the disclosure of government information should be reviewed independently of government.

### Mandate

On November 25, 2010, the legislation creating the Canadian Museum of Immigration at Pier 21 came into effect. Under the *Museums Act*, the Canadian Museum of Immigration at Pier 21 is a distinct legal entity, wholly-owned by the Crown. It operates at arm's length from the Government in its day-to-day operations and in its activities and programming.

Situated at Pier 21, a National Historic Site at the Port of Halifax, the Government established the Museum as a Crown corporation within the Canadian Heritage portfolio. It is one of only two national museums to be created in a generation and the second to be located outside of the National Capital Region.

The amendments to the *Museums Act* established the Museum's mandate as follows:

*The purpose of the Canadian Museum of Immigration at Pier 21 is to explore the theme of immigration to Canada in order to enhance public understanding of the experiences of immigrants as they arrived in Canada, of the vital role immigration has played in the building of Canada and of the contributions of immigrants to Canada's culture, economy and way of life.*

The Museum's public policy role is expressed in the preamble of the *Act*, which states each national museum:

- a) *"plays an essential role, individually and together with other museums and like institutions, in preserving and promoting the heritage of Canada and all its peoples throughout Canada and abroad, and in contributing to the collective memory and sense of identity of all Canadians;"* and
- b) *"is a source of inspiration, research, learning and entertainment that belongs to all Canadians and provides, in both official languages, a service that is essential to Canadian culture and available to all."*

## **2. Organizational Structure**

The Museum is presided over by a Board of Trustees currently consisting of eleven members from across Canada and appointed by the Minister with the approval of the Governor in Council. The first Director of the Museum, who is the Chief Executive Officer, was appointed on October 20, 2011, and is responsible for the operation and administration of the Corporation.

In 2012-13, the Corporate Secretary assumed responsibility as the Access to Information and Privacy Coordinator. The Museum does not have any other staff working in this area.

The Access to Information and Privacy Coordinator is responsible for administering the *Access to Information Act* within the Canadian Museum of Immigration at Pier 21, with a mandate to act on behalf of the Director and CEO in ensuring compliance with legislation, regulations and government policy and to create directives and standards in all matters relating to the *Act*. This includes the processing of access requests and providing professional advice and training.

The Museum does not have any service agreements per section 96 of the *Act*.

## **3. Delegation Order**

Pursuant to Section 95 (1) of the *Access to Information Act*, the Museum has delegated authority to the Access to Information and Privacy Coordinator to exercise or perform all powers, duties and functions of the CEO and Director under the *Act* insofar as they may be exercised or performed in relation to the Museum. The delegation order is attached as Appendix A.

#### 4. Performance in 2019-20

Details on performance in the 2019-20 fiscal year can be found in the Statistical Report on the *Access to Information Act* and the Supplemental Statistical Report on the Impact of COVID-19 measures, attached as Appendix B.

In summary:

- There were no outstanding requests from previous reporting periods.
- During the reporting period, the Museum received no requests for consultation.
- The number of requests and requests for consultation are consistent with prior years, as outlined in table 1 below.

Table 1: *Access to Information Act* Request History

	2010-11	2011-12	2012-13	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20
Formal requests	0	0	1	0	0	1	1	0	0	0
Requests for consultation	0	0	3	3	2	0	2	2	0	0

- COVID-19 has not impacted the Museum's fulfillment of its *Access to Information Act* responsibilities as no requests were received while the Museum and its offices were closed. The Museum can receive requests electronically through the ATIP online request service (AORS), remotely or onsite. Depending on the nature of the request, the Museum's ability to fulfill future requests may be impacted if COVID-19 necessitates another closure of the Museum offices.

#### 5. Training and Awareness

There were no formal training sessions on the *Access to Information and Privacy Acts* during the reporting period. Over 85% of employees have received training and new employees are informed of their obligations during orientation. Additional training and guidance is provided to individuals and/or teams as required based on their needs and responsibilities.

#### 6. Policies, Guidelines, Procedures and Initiatives

No new Museum-specific policies, guidelines, procedures or initiatives were developed in 2019-20. The Museum follows Treasury Board policies and directives.

## **7. Summary of Key Issues and Actions Taken on Complaints or Audits**

There were no Access to Information complaints received in 2019-20. There were no audits or investigations concluded during this reporting period.

## **8. Monitoring Compliance**

Due to the low volume, the Museum does not have a formal system to monitor the time to process access to information requests. The Access to Information and Privacy Coordinator ensures requests are processed within the 30-day time period. In the event of a delay or extension, the CEO is notified and updated on the status of the request.
